

MOHAMMADREZA MATIN

FRONTEND DEVELOPER · REACT / NEXT.JS / VUE

Shiraz, Iran · +98 921 571 0257 · Portfolio: [mrm7697.vercel.app](#)

PROFILE

Frontend Developer with 4+ years of professional experience delivering production web applications for business, healthcare, accounting, surveillance, food-service and municipal workflows. Strongest in React.js and Next.js, with additional production experience in Vue.js and Nuxt.js. Comfortable turning complex requirements into reusable, responsive interfaces and integrating REST APIs, realtime services, interactive maps, dashboards, forms and localized applications.

CORE COMPETENCIES

Frontend	React.js · Next.js · Vue.js · Nuxt.js · JavaScript · TypeScript
UI Engineering	Tailwind CSS · MUI · Vuetify · Bootstrap · Headless UI · Responsive Design
State & Forms	Redux · Pinia · React Context · React Hook Form · Formik · Yup · Axios
Realtime & Media	Socket.IO · SignalR · PeerJS · FFmpeg
Maps & Data	Leaflet · Mapbox GL · Recharts · Chart.js · GIS interfaces
Engineering	REST APIs · reusable components · component architecture · localization · Git

EXPERIENCE

Pooyan System · Frontend Developer

Jul 2021 – Mar 2026 · Yazd · Full-time / Hourly

Developed production frontend applications using Vue.js, Nuxt.js and .NET Core Blazor WebAssembly. Contributed to business-focused interfaces, API integration and maintainable application workflows.

Ariapa · Frontend Developer

Aug 2024 – Mar 2026 · Yazd · Hourly

Built React.js and Next.js applications with reusable UI, responsive layouts and API-driven workflows.

Hamila · Frontend Developer

May 2024 – May 2025 · Yazd · Part-time

Developed React.js / Next.js products across management, sales, online ordering and kiosk experiences, including maps, dashboards and realtime communication.

SELECTED PROJECTS

Karmatick

Tech: React · Next.js · TypeScript · Tailwind · Axios · Leaflet · Swiper · Driver.js

Business social network with interactive UI, guided onboarding, API-driven workflows and map functionality.

[Live / Production: karmatick.com](#)

ISSS

Tech: React · Redux · MUI · Formik · Yup · Recharts · i18next · Socket.IO

Surveillance platform for face and license-plate recognition, combining complex forms, analytics, localization and realtime communication.

Pishro Plus

Tech: Vue · Pinia · Vuetify · Axios · Chart.js

Web-based accounting platform with structured business workflows, state management and data visualization.

[Live / Production: karitm.com](#)

Salamat Hooshmand

Tech: React · Next.js · Tailwind · MUI · PeerJS · Socket.IO

Online appointment and video-consultation platform with dedicated doctor and patient management panels.

Hamila Management

Tech: React · Next.js · Tailwind · Headless UI · Recharts · Leaflet · Mapbox GL

Food-management platform for products, users and branches, with dashboards, charts and GIS/map-based workflows.

[Live / Production: panel.hamilaburger.com](#)

Hamila Food

Tech: React · Next.js · Bootstrap/Tailwind · Socket.IO · SignalR · Leaflet

Connected online food-ordering experience with realtime communication and location-aware functionality.

[Live / Production: hamilafood.com](#)

Municipal Waste Management

Tech: React · Next.js · FFmpeg · i18next · Tailwind · Headless UI · Socket.IO

Municipal waste-management system with localized, data-driven and realtime frontend workflows.

Fara Omran Negar

Tech: React · Next.js · Axios · i18next · Tailwind · MUI

Management system for meteorological stations and GIS maps.

EDUCATION

B.Sc. Electrical Engineering — Amirkabir University of Technology (Tehran Polytechnic)

2015 – 2021

Diploma, Mathematics & Physics — Shahid Sadoughi High School of Yazd

2012 – 2015
